## TIMNATH LAKES METROPOLITAN DISTRICT NO. 3 2024 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

## **Services Provided**

The District was formed on June 23, 2006, to provide for the design, acquisition, construction, installation and financing of certain street, park and recreation, water, sanitation, mosquito control and safety protection improvements and services. The District was organized in conjunction with Timnath Lakes Metropolitan District Nos. 1 and 2. On September 10, 2019, the District amended and restated its service plan to include Timnath Lakes Metropolitan District Nos. 4 through 6.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

## Revenues

## **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District. The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

| Category      | Rate   | Category          | Rate   | Actual Value<br>Reduction | Amount   |

**Revenues -** (Continued)

## **URA Property Taxes**

The URA will receive property tax revenue ("Pledged Property Tax Increment Revenue") from the Larimer County Treasurer in excess of the amount produced by the levy of those bodies that levy property taxes against the Property Tax Base Amount in the TIF District.

## **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7.0% of the property taxes collected.

#### Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.0%.

## Expenditures

#### Intergovernmental Expenditures

The District collected property and specific ownership taxes. The District will transfer \$50,000 of funds collected each year to District No. 6 to help fund administrative and operating expenditures. The amount transferred will increase 1.0% each year thereafter.

#### **County Treasurer's Fees**

County Treasurer's fees have been computed at 2.0% of property tax collections.

#### **Debt and Leases**

On December 29, 2022 the District issued Limited Tax General Obligation Convertible Capital Appreciation Bonds, Series 2022A, in the initial principal amount of \$12,901,934.35 (\$14,485,000 in Accreted Value upon conversion to current interest bonds) ("Senior Bonds") and Subordinate Limited Tax General Obligation Bonds, Series 2022B in the principal amount of \$5,543,000 (" Subordinate Bonds"). Proceeds from the sale of the Bonds were used to: (i) finance or reimburse the costs of public improvements related to the Development; and (ii) pay the costs of issuance of the Bonds.

The District has no outstanding indebtedness, nor any operating or capital leases.

#### Reserves

## **Emergency Reserve**

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR funds received by the District are transferred to District No. 6, which pays for the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.
